Force opens new engine plant

Pune, June 22

Force Motors has commissioned a new engine plant at Chakan near Pune to exclusively meet the needs of Mercedes Benz India. The plant was inaugurated on Wednesday by Maharashtra Chief Minister Devendra Fadnavis, who was accompanied by Union Minister of State for Environment Prakash Javadekar. The ₹100-crore plant is part of the ₹700-crore earmarked by Force Motors over the next two years for products and investments in its business verticals.
